Connected in Christ

From January 21-27, we celebrated the gift of Christ-centered education during National Lutheran Schools Week. What a joy to host the Lutheran elementary schools in Sheboygan County (Bethlehem, St. Paul, St. John Plymouth, St. John Random Lake, and Trinity) for a morning of entertaining improv by Fish Sticks Comedy. 859 students strong in grades 3K-12!

What is Winterim?

JANUARY EXPLORATION

Winterim is a unique educational experience that takes place the first week in January. For one week, students have the opportunity to explore areas of interest outside of the traditional curriculum. Offerings include Gastronomy 101 (cooking basics), Living Life Pro-Life, Outdoor Adventures, Drum Line, American Sign Language, Wide World of Sports, Etiquette Beyond Please and Thank You, Leadership Games, and more. Students had a great time acquiring knowledge, exploring new interests, and earning credit!

Full House for Jr. Crusader Nights

MEMORIES IN THE MAKING

We love a full gym! And that's exactly what we had when Sheboygan Lutheran hosted Jr. Crusader Nights for the boys on January 25 and for the girls on January 26. Participants on our Jr. Crusader basketball teams, along with their families, were treated to dominating wins by our varsity teams, huddle & locker room time with the coaches, autographs from their favorite Crusaders, half-time activities, dinner, team bonding, and more!
