

The Leader's Guide

Winter 2023

45 YEARS
OF LHS

Sheboygan Area Lutheran High School

From the Desk of the Executive Director

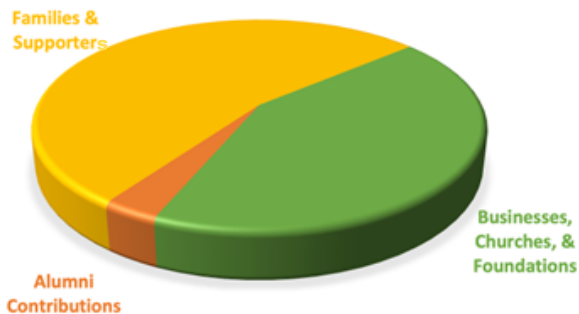

Rejoice! 2023 marks the 45th anniversary of Sheboygan Lutheran High School! In 1978, we opened our doors at 15th & St. Clair Street with just two small but devoted classes. Today, we have over 200 students and over 1,700 alumni who received the message of Jesus and His enduring love during their education at LHS.

Anniversaries inevitably provide opportunities for reflection on blessings received, and blessed we are! During our 40th anniversary just five years ago, we kicked off our most ambitious capital campaign to date, raising \$4.6 million to implement our vision of campus expansion. The Worship and Fine Arts Center and the classroom remodeling have been incredible assets in the development of future Christian leaders.

As we venture into this celebratory year, I ask that you continue to pray for the ministry that takes place at Sheboygan Lutheran High School. May it continue to hold fast to timeless Biblical truths, as it has for the past 45 years. May God continue to bless us with willing servants in our staff, board of directors, parents, pastors and supporters. May He continue to lead students to our midst to receive solid academic and spiritual education in preparation for lives of Christian leadership.

“One generation shall commend your works to another, and shall declare your mighty acts.”
Psalm 145:4

CAPITAL CAMPAIGN DONORS

Finally, I ask that you save the date for our 45th anniversary celebration. We are planning a variety of festivities for August 4-5, 2023. Let's gather to celebrate God's goodness and faithfulness in our mission and ministry at LHS. Details to come.

In Christ's service,

Paul W. Gnan
Executive Director

This spring, on the dawn of our 45th anniversary, we plan to launch a second campaign to help erase the current debt of this expansion. The *Impact Tomorrow Today* campaign will seek to raise an additional \$3 million, with every dollar reducing the loan principle and exponentially improving the resources of LHS. Our leadership team and campaign committee are prayerfully and diligently working through details and plans to come this spring.

LHS CELEBRATES 45 YEARS

OF *Christian Education*

1978 - 2023

Let's celebrate!

August 4 & 5, 2023

Festivities will occur in Sheboygan. Make your summer plans accordingly! Event details are in the works & will be announced soon.

Alumni & parents of alumni: Please make sure your contact information is current with the LHS office so you don't miss out on anniversary invitations and communications! Scan the QR code to fill out a quick Google form, email us at lhsalumni@lutheranhigh.com or call the office at 920-452-3323.

CARING CRUSADERS

A FOREIGN EXCHANGE STUDENT'S MATCH MADE IN HEAVEN

In 2019, under the Global Outreach Catholic Exchange program, Marta Witek applied for an opportunity to study in America. She was 15 years old in 2021 when she hopped on the plane to Chicago from Poland. She spent her junior year with Jon Bemis and his family and attended Manitowoc Roncalli Catholic High School. The Bemis family opened their homes and their hearts, and it didn't take long for her to love them as family.

Jon, a Lutheran High graduate, did a semester foreign exchange to Japan when he was a student at LHS in 1995, and he loved the experience. His oldest daughter, Kate, had also participated in a summer exchange with a student from Germany, and the positive experience they had hosting Annchristin made the Bemises comfortable hosting a student for a full year. Jon and his wife, Dana, already had a busy schedule with four daughters - Kate (17), Meg (15), Lizzie (12) and Callie (9) - but Marta fit right in.

Marta's home is Warsaw, Poland, where her mother and father, Joanna and Przemysław, both medical doctors, are raising her siblings. She came from a much larger high school environment, studying Biology, Chemistry, French and English. It was Marta's dream to study medicine in the United States. But the Catholic Exchange program was for one year only. Marta and six other exchange students at Roncalli would be returning home at the end of the school year. She would have had to redo her junior year if she went back to Poland. Instead, the Bemis family helped her to navigate two options—stay at Roncalli or attend LHS—no longer in an exchange program but as an independent student. Jon had inquired at Sheboygan Lutheran High about taking a student as a senior for one year. LHS was thrilled to work with Marta and the Bemises to afford her the opportunity to stay in the US. Her parents also thought it was a good idea, and since she was already accepted and loved by the Bemis family, it just seemed like a good idea from all sides.

And Marta was 'getting used to the place.' Making adjustments from her habits and culture in Poland were on the curve. She missed her family and not being able to walk everywhere or take accessible public transportation, and English word translations, food choices and portion sizes were sometimes challenging. But some things that are important to teens, such as TV shows, technology and style, were more parallel across both cultures. It had been a bit difficult to be really involved at Roncalli as it was forty minutes away from the Bemis home in Sheboygan, but she loved the experience there nonetheless.

The Bemis family also had to make some adjustments. "We had a guest room that we intended to be Marta's room, and she stayed there for a few months. But after a while we realized that it didn't feel right having four of our daughters upstairs and Marta stuck in the basement! So we rearranged the upstairs bedrooms and asked our two youngest daughters to bunk together so that we could all be on the same floor, and that was a really good change," Jon explained. "Marta just fit in with our family very well. With four daughters already, I often joked, 'What's one more?' And that has actually been pretty true – in a busy, noisy, joyful household, Marta has just added to that."

Another difference Marta was feeling was Christmas. "Christmas customs and traditions are so different in the two countries. In Poland, we spent time as a family on the 24th, 25th and the 26th and celebrated with twelve meals on Christmas Day. Sharing of the host and leaving one additional seat and table setting for an 'unexpected' guest at the table are important traditions for the Polish people. It's also tradition to put hay underneath the table cloth on Christmas Day." Marta explained. "I spent Christmas my first year in Sheboygan, and this year's Christmas back in Poland. When I am here, I am happy to worship in Sheboygan at Holy Name Catholic Church," Marta added.

CARING CRUSADERS

JONATHAN BEMIS & FAMILY

Jon Bemis (LHS '96) and his family, including Marta

After her first semester at Lutheran High, Marta is enjoying life as a Crusader. "I have better and more friends, probably because I live closer to school which means I have more opportunities to participate in the school events. I also became more comfortable with the English language," Marta explained. "I seem to fit in better. I am more involved. My academics are good, although I did well at Roncalli also." Marta loves running and going on walks. She was a member of the LHS cross country team and has done a few half marathons last year. "I enjoy the relationships with the students and hanging out with them. I enjoy the school spirit. In Poland, there is little school spirit; it is all school work," she said. Marta was also selected as the LHS homecoming queen this fall. "I was very surprised, very happy. It was a great part of my American experience," she exclaimed.

Marta has been blessed to travel with the Bemis family, visiting several Midwest states as well as Alaska, New York City and Disney World. She wants to attend college in the U.S. and major in Premed. She is applying to Marquette, Loyola of Chicago and St. Norbert. When asked if she hopes to live back in Poland after finishing school, she concluded, "Maybe later in life, but my choice would be to be a doctor and serve in the U.S. The Bemis family became one of my two families, and I love them the same way I love my Polish family. I will definitely stay in touch with them and be a 'forever' part of their family." But Marta will still travel home in the summer months, as often as possible, and talks with her parents daily. She is excited to have her family travel to the U.S. for her high school graduation ceremony in May.

Jon concluded, "We truly believe that having Marta join our family was a calling from God. In His plan, Marta was meant to be with our family, and our family was meant to include Marta. All of us have changed and grown a lot over the last year and a half, and we are grateful for the series of choices and small miracles that brought us together."

A LUTHERAN HIGH

Christmas

A Lutheran High Christmas Concert

December is inevitably a busy, stressful month with jam-packed schedules, additional commitments, and, of course, final exams. But the staff and students of LHS did their best to make spirits bright around the halls and in the community.

Additionally, we celebrated a record-breaking year for Lutheran High's resale store, Neat Repeats. Board Chairman Dave Schlichting reviewed the 2022 results and presented LHS with a check for \$160,000 at the LHS Christmas concert.

- The music department welcomed over 750 attendees during its annual Christmas concert series. With the band under the direction of Greg Kiehl and the choirs under the direction of Dr. Sam Eatherton, attendees enjoyed a variety of familiar classics as well as show-stopping new arrangements. Both concerts culminated with the tradition of concert-goers joining the students on stage for a powerful rendition of "Hallelujah Chorus."
- National Honor Society, with support from a Thrivent Action Team, hosted a Christmas Drive and Dress Down Day that brought in nearly \$1,000 and oodles of canned goods, laundry supplies and personal care items to lighten the load for several local families.
- The Chamber Choir performed at Sheboygan's family-friendly Jingle & Mingle outdoor holiday event.
- With the help of LHS Lunch Coordinator Tracy Barts and parent volunteers, Student Council served a delicious Christmas dinner to all students and staff just after the holiday break - turkey, mashed potatoes and all the trimmings.

How about these record numbers?

- 2022 annual sales: \$460,842
- 2022 average monthly sales: \$38,403
- Profit margin (sales and donations minus expenses): 46.1%
- Sales increase in 2022: 9% over previous year

This is just part of the record breaking story of 2022. In its twelve year history, ten of the top fifteen sales months occurred in 2022! If Neat Repeats experiences a 9% sales increase for 2023, it will surpass \$500,000 in annual sales!

For more information about Neat Repeats, visit www.neatrepeats thriftshop.com. Let's make it another banner year!

Where Are They Now?

1988 & 1989 GOLF CHAMPIONS

The second installment of our championship teams feature focuses on the sport of golf. The first conference championships at LHS occurred in 1988 and 1989 when the golf team earned back-to-back conference titles, state appearances and dominating season records.

1988 saw the LHS golf team, coached by then Executive Director, Bob Schulze, sport a 16-1 season record, setting seven team records and six individual records. Robb Schulze led the team in scoring averages, followed by Matt Schulze and Owen Schmideler. All received All Conference accolades. Additionally, Robb Schulze was awarded the prestigious honor of being named All-State Golfer. Coach Schulze stated, "It was very satisfying to see a program in only its fourth year come as far as it did."

1989 saw the terrific accomplishment of "the repeat": winning the conference championship for a second consecutive year. Seniors Matt Schulze and Joe Kaltenbrun led the way during the season. Joe was named All Conference, along with Pete Bohrofen, for their outstanding play in the conference tournament. Coach Schulze commented, "Every member of the two teams was dedicated to the sport and had a desire to represent their school in the best possible way. I was proud of how they played and the etiquette they showed while competing."

Player Reflections

Dr. Kristin (Severson) Solberg, D.O.: "I always played golf for fun, but never competitively. I was thankful I was allowed to compete with the boys, but early on it was quite awkward. One senior was kind and inviting but otherwise I had to prove I could keep up with them. There was a lot of grumbling from the other schools when I got to play. I really enjoyed the friendships built over the later years. And it was such a thrill to be part of that championship team. Being successful as the only girl in that instance gave me confidence to take chances in my career that have brought much satisfaction and even encouragement to others who needed a little boost of courage to step out of a comfort zone. That 'wild spirit' was cultivated through those LHS golf years."

Owen Schmideler: "Lutheran High golf provided some of the greatest memories I have from LHS. I remember being at State (University Ridge in Madison, 10th tee with Robb Schulze) and light, fluffy snow started to fall. I think I said to Robb, 'It's snowing and we're playing golf but this is so much better than being in Miss Mueller's 5th hour Lit class.' Coach Schulze was always positive and inspiring no matter the result. We started each match in the fifteen passenger van with prayer and ended each day's match back in the van, thanking the Lord in prayer. The many years have faded most memories, but my love for the game of golf has never been stronger. Thank you for all those LHS teachers who have made and continue to make LHS golf an experience I hope more kids will cherish and get to experience. As they consider one question, 'Should I go out for the golf team?,' my answer would be, 'Absolutely you should! It will be flush with great memories, good friendships and just may help prepare you one day to be a Christian leader, too.'"

Scott Morrelle: "Every great king always had a court jester. 'Nuff said. My nickname was John Daley. All I tried to do was have fun, which is exactly what I did and continue to do. I made great relationships, learned a lot about golf and enjoyed being a part of LHS then as I still am today. I barely remember the golfing, but I can't forget all the fun I had."

Peter Bohrofen: "I remember being intimidated as a freshman joining the 1989 LHS varsity golf team coming off of a conference championship the previous year. However, the senior leadership of Joe Kaltenbrun, Matt Schulze and John Cinealis welcomed me to the team and led to repeat as conference champions."

Where They Are Now

- Owen Schmideler ('89) and his wife, Kristen, live in St. James, New York, where he is Territory Business Manager for a biopharmaceutical company. They have two children.
- Robb Schulze ('89) and his wife, Kris, live in Medina, Ohio, where Robb is Chief Executive Officer of Northern Ohio Golf Association. They have two children.
- John Cinealis ('90) and his wife, Amy, live in Plymouth, WI, where he is a Distribution and Inventory Manager. They have two children.
- Joe Kaltenbrun ('90) and his wife, Sherry, live in Sheboygan. They have four children.
- Gregg Fibiger ('92) and his wife, Megan, live in Neenah, WI with their two children. Gregg is a Plant Personnel Scheduler.
- Matt Schulze ('90) and his wife, Lucie, live in Williamsburg, Virginia, where his passion for golf continues as a PGA Golf Professional, PGA Magazine Relationship Manager and Organizer of NFL Alumni Golf Tournaments. Matt and Lucie have two children.
- Dr. Kristin (Severson) Solberg ('90) and her husband, Todd, live in New Richmond, WI, where she is a Geriatrician. They have one child.
- Scott Morrelle ('92) and his wife, Amy, reside in Sheboygan and currently have two children at LHS and another at Bethlehem Lutheran. Scott is Treasurer of Morrelle Transfer.
- Peter Bohrofen ('93) and his wife, Christin, live in West Chester, Ohio with their two children. Peter is VP-Investments for a wealth management firm.
- Rick Yinko and his wife, Abbie, live in Sheboygan with their three children. Rick is Owner/President of a robotics and automation design company.

Faith & Finances

PLANNED GIVING WITH LCMS FOUNDATION

"Doing Godly Things with God's Things" was the title of two seminars presented by LHS alum Craig Toerpe at Sheboygan Lutheran High School on January 18, 2023. Craig is a Gift Planning Counselor with the Lutheran Church Missouri Synod Foundation. He works in concert with Sheboygan Lutheran High School and Living Word Lutheran High School as well as Lutheran churches in and around Sheboygan County. He brings a wealth of knowledge and experience to Lutherans, helping them to plan and organize the important decisions that are part of a person's life plan, their estate plan and their end of life plan.

The plan, made available by the LCMS Foundation at no cost, is titled "A Lifetime Plan for Giving." It includes four stages:

1. **Discovery:** A process used to create a plan to best meet your needs, your family's needs or others in your life you wish to bless
2. **Plan Designs:** Discovering options for structuring your plan, involving the work of LCMS Foundation attorneys and staff, again at no cost
3. **The Summary:** A review of the plan design and its options, all designed to meet your stewardship objectives as well as wellness decisions for your family
4. **Implementation:** Making sure your plan is carried out, including all documents and paperwork designed for your plan

This is a wonderful service and a true blessing of our church. The binder, prepared especially for you by the LCMS Foundation, provides a wealth of information as well as an action plan to carry out your wishes for when the Lord calls you home. It also provides a sense of security knowing your family's well-being is organized and in place.

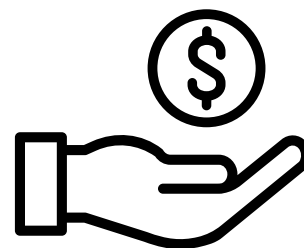

One of the participants stated, "I could not believe the wealth of information and the completeness of the plan of action for my wife and me as a guideline for our future and our family's future. What a wonderful opportunity to consider making God-pleasing decisions with the blessings we have received... and all at no cost!"

Craig, graduate of the LHS class of 1996, is a true servant of God, working to help his fellow Lutherans. Craig can be reached at 262-707-3005 or Craig.Toerpe@LFND.org for planned giving needs.

IT JUST MAKES SENSE

You can support LHS at **no out-of-pocket expense to you** when you take advantage of several amazing programs:

- **RaiseRight** - RaiseRight (formerly Scrip) is an easy way to pay for everyday expenses at grocery stores, restaurants, gas stations and more using gift cards that are purchased through Lutheran High's program. Rebate credits can be applied directly to your own LHS tuition or to an LHS student in need. Learn more at www.lutheranhigh.com/enroll.
- **Thrivent Choice Dollars** - Eligible Thrivent clients with membership can direct Thrivent Choice Dollars to LHS. 2022 Choice Dollars must be directed before March 31, 2023. Don't miss out! Contact your Thrivent financial representative or log in to your Thrivent account to direct any undesignated Choice Dollars.
- **Thrivent Action Teams** - Thrivent clients age 16+ could be eligible to apply for Thrivent Action Teams twice per year to support a fundraiser, educational event or service activity. Upon application approval, Thrivent provides resources you need to get your project started, including up to \$250 in seed money. There are numerous opportunities at LHS that qualify! Contact Heidi Krueger at krueger@lutheranhigh.com or your Thrivent representative to get started.
- **AmazonSmile** - You shop, Amazon donates! Simply make your regular Amazon purchases through smile.amazon.com and select 'Lutheran High School Association of the Greater Sheboygan Area Inc' as the charity to support. 0.5% of eligible purchases will directly benefit LHS at no additional expense to you.

Think of the impact we can make if we all take advantage of these simple, hassle-free opportunities! And don't forget: if you'd prefer to make a standard, tax-deductible donation to LHS, our secure online giving portal is available any time at www.lutheranhigh.com/giving.

Big East Musical Honors

Congratulations to these LHS students who were selected to perform in the **Big East Conference Honors Band:**

- Peyton Roethel (pictured)
- Nicole Schobert
- Caden Solle

...and in the **Big East Conference Honors Choir:**

- Rebekah Berg
- Jenna Chapman
- Andrew Dirkse
- David Eatherton
- Rachael Hacker
- John Kakuzi
- Ella Littmann
- Ben Vanic

On January 5, these talented students performed at the Capitol Civic Center in downtown Manitowoc, along with other outstanding musicians and vocalists from the conference.

National Lutheran Schools Week

On January 26, LHS welcomed students and staff from Bethlehem, St. Paul Sheboygan, St. John Plymouth, St. John Sherman Center and Trinity Sheboygan to celebrate National Lutheran Schools Week. We joined in prayers of thanksgiving for Lutheran education in our community, were entertained by Kentucky magician Brad Brown and celebrated the theme "Making Disciples for Life."

Craig Wilson In Memoriam

By Chuck Benedum

Craig Wilson, a faithful servant of Christ and former instructor at Sheboygan Lutheran High School, has passed into eternal life. Lutheran High mourns his passing but rejoices in his victory over death and the many physical challenges he faced in life.

Craig was born June 18, 1957 and died November 7, 2022 at age 65. He was a 1957 graduate of Milwaukee Lutheran and a graduate of Concordia University with a bachelor's degree in Education. Craig married his wife, Lynn, on August 2, 1980. She predeceased him. Craig was an instructor in math, science and computer technology at Sheboygan Lutheran High School from 1987 through 2002, when illness forced an early retirement. Craig had been in nursing home care for over fifteen years prior to his passing.

Bob Schulze, the first Executive Director at LHS, stated, "Craig was one of several staff members open to take on curricular or extracurricular assignments to enhance a young and growing ministry."

Bob Kasten, also a former Executive Director of LHS, stated, "Craig was respected by his students because of his amazing math skills and because he challenged students to reach to the next level of learning. His calculus students awarded him the title of The Math Master. Students and fellow faculty respected Craig, not only for his knowledge and teaching skills, but also because of his humble Christian character."

Well done, Craig, a good and faithful servant.

Alumni in Action

Davis Dolson (Class of 2010) is engaged to Allison Paine. Davis and Allison met at Marquette University and are currently living and working in Denver, CO. Davis is the Senior Marketing Coordinator at WDG Architecture, and Allison is an Interventional Radiology Technologist at Denver Health. A 2024 wedding is planned.

Ryan Schoening (Class of 2011) married Celia Cotter on July 23, 2022 at Trinity Lutheran Church in Sheboygan. LHS alumni in the wedding party included best man **Aaron Sandee ('11)**, **Derek Yurk ('05)** and **Megan (Schoening) Yurk ('06)**. The Schoenings live in Sun Prairie, where Ryan is a special education teacher in the Madison Metropolitan School District, and Celia is a kindergarten teacher in the Middleton-Cross Plains School District.

Reid Yinko (Class of 2004) married Erin Weimann on July 9, 2022 at Trinity Lutheran Church in Sheboygan. Groomsmen included Lutheran High graduates: **Joel Bermke ('04)**, **Josh Bintzler ('05)** and best man **Ian Halverson ('04)**. Reid is an Operations Manager at Nematik, and Erin is a Quality Engineer at Vollrath. Reid and Erin are living in Sheboygan.

Adam Lang (Class of 2006) married McKenzie McCarthy on November 12, 2022. The couple is currently living and working in Milwaukee.

Emily Jablonski (Class of 2015) married Ryan Cicioni on September 3, 2022 in Pittsburgh, PA, where the couple resides. **Jordyn (Thaves) Doll ('15)**, **Emily Glewen ('15)** and **Tyler Jablonski ('12)** were in the bridal party. **Liz Rindt ('15)** was the soloist for the ceremony. Emily is a nurse at a pediatric facility, and Ryan is an engineer for a naval-based company.

Amanda (Buck) Fritsch (Class of 2005) and husband Kevin welcomed their third child, Abigail Joy, on October 21, 2022. She joins big brothers Daniel (age 5) and Joshua (age 3). She was baptized November 20, 2022 with sponsor **Kimberly (Buck) Shadick ('10)**. The Fritsches reside in Odenton, Maryland.

Libby (Hess) Mierau (Class of 2011) and Brian Mierau of Winona, MN welcomed their first child, Harrison Wayne, on November 1, 2022.

Derek Yurk (Class of 2005) and **Megan (Schoening) Yurk (Class of 2006)** welcomed twins, Lincoln David and Everly Lynn, on August 29, 2022. They join big brother Oliver. Sponsors include LHS alumni **Ryan Schoening ('11)** and **Erin Yurk ('06)**. The Yurks reside in Sheboygan.

Rachael (Kretschmar) Franklin (Class of 2005) and husband John finalized the adoption of a baby boy in July. Julius Howard was born on January 13, 2022. After the adoption was finalized, they went on a wonderful family vacation to Disney World! The Franklins live in Chicago, where Rachael teaches at St. John's Lutheran and John teaches at Walther Christian Academy. Sponsors include LHS alumni **Laurie (Kretschmar) Dillman ('03)** and **Nate Dillman ('03)**.

Amanda (Van de Kamp) Mumm (Class of 2011) and her husband Willard welcomed a baby boy, Michael Willard Mumm II, on March 15, 2022. He joined big sister, Meryl (age 2). The Mumms reside in Idaho.

Crusaders in Action

Hanna Stolper (Class of 2016) graduated from University of Northern Iowa with a master's degree in piano performance.

Maggie Gruben (Class of 2014) graduated from UW Madison in May 2022 with her Doctorate in Physical Therapy. She now lives in Milwaukee and is working at Aurora St. Luke's Medical Center.

Bob Schulze, the first Executive Director of LHS, was inducted into the Concordia University Seward Athletic Hall of Fame on September 16, 2022. A four sport athlete at Concordia, Bob excelled in football and track. Bob set many records in track and was a starting halfback on the 1962 championship football team.

Congratulations, Bob! The LHS family is thankful for your outstanding contributions to the establishment of our school and is very proud of your Hall of Fame honor at Concordia Seward.

Justin Goosen (Class of 2004) is co-owner of **Golf 365**, the newest indoor golf simulator activity center, located at 2729 Indiana Avenue in Sheboygan. It will offer a bar with a drink menu, dartboards and other games. Check it out for leagues and tournaments, and other year-round golf opportunities!

A Familiar Face Joins the LHS Team

By Chuck Benedum

Lutheran High School is pleased to introduce a familiar face as the newest member of its staff. **Heidi (Thiel) Krueger (LHS Class of 2000)** is serving as Marketing Communications Manager, assisting the development office with marketing, public relations, recruitment, alumni relations and events.

Heidi comes from a family background of strong LHS support. Her parents, Wayne and Linda Thiel, and her in-laws, Paul and Paulette Krueger, have all been long-time LHS supporters. Her sister, Amy, graduated from LHS in 1994. Heidi married Jon Krueger (LHS Class of 2000), who is the Athletic Director and teaches middle school at Bethlehem Lutheran School in Sheboygan. Their son, Andrew, is a sophomore at LHS and daughter, Emma, is a Crusader in the wings, as she is currently an 8th grader at Bethlehem.

During her time as a student at LHS, Heidi was involved in volleyball, basketball, National Honor Society and pep club. She went on to graduate from Concordia University Wisconsin in 2003 with a bachelor's degree in marketing. Her work experience includes fourteen years as Marketing Communications Manager for a global construction and restoration equipment supplier, starting in Seattle where she and Jon spent their first few years of marriage, and then working remotely for the company after moving back to Wisconsin. Most recently Heidi spent five years as Event Manager for Bookworm Gardens.

After her first few months on the LHS staff, Heidi has a renewed appreciation for the mission and work being done. There is so much that happens behind the scenes to make sure LHS is the best it can be. The dedication of the faculty and staff is tremendous, and she finds joy in being able to integrate faith and prayer into her vocation. A few initial goals include helping grow alumni involvement, highlighting the neat things going on that don't always get front page billing and enhancing the image of LHS in the community.

Outside of work, Heidi is involved at her home church, Bethlehem Lutheran, and stays busy with Andrew's and Emma's sports and activities. She's often seeing walking the neighborhood with Jon, and she also enjoys reading and cooking.

It is difficult to find words to welcome someone who is already such a familiar face at LHS. So instead, we say it is a real blessing to have Heidi Krueger on the "official" staff of LHS. God's blessings on your work among us!
