

SERVICE OPPORTUNITIES

This list will be updated as opportunities come in, so check back often. Many of the opportunities are events sponsored by GLOW, LHS's service club. Others are simply pleas for help that come to Mrs. L. over the course of the year. When possible, contact information is below. Questions can always be forwarded to Mrs. L.

NEW WEBSITE TO FIND VOLUNTEER OPPORTUNITIES!

Fall 2011:

Neat Repeats: Lutheran High's thrift store in Plymouth is ALWAYS in need of extra help. You can sign up for an entire shift on a Monday night or Saturday OR you can come in for an hour or two whenever you can to help with pricing merchandise, sorting donations, etc. You can visit <http://www.volunteerspot.com/login/entry/952345634452500092> to sign up online, or contact Darlene Mech at tdmech@charter.net.

Above & Beyond Children's Museum: Above & Beyond Museum is extending their hours and looking for volunteers. Teens who enjoy working with children and/or need service hours should stop in and pick up a volunteer application (the museum is located 902 8th Street in Sheboygan, and the phone number is 458-4263). In particular, they can use help any Tuesday, Thursday or Friday between the hours of 3:30 and 5:30 pm. They also have special events, like children's birthday parties, where they need volunteers. Fun!

Calvin Church Babysitters: Tuesdays from 6 - 7:30 pm. High school students needed to watch kids under the age of 6. There are adults there to help supervise, but there is a large group of kids, so many students are needed each week to help. Contact Cindy at 458-6903 if you can help.
