

Lutheran High has got God-given Talent!

LHS Seniors recognized at the annual Honors Night Awards Ceremony

How Can You Afford Not To?

Lutheran High's mission is *To Prepare Christian Leaders—One Student at a Time*. This fact makes Lutheran High unique and special along with our green and gold school colors of course!

Seriously, though, have you asked this question recently: What kind of man or woman do you want your child to be when he or she reaches 25 or 45 years of age? At Lutheran High, our mission is to think about the long-term faith development of each and every student that walks through our doors. We provide an education that is inspired from God and eternal.

However, do not forget what wonderful benefits you and your child will receive in the immediate future. The 49 graduating seniors of the Class of 2010 at Lutheran High received over 1.35 million dollars in scholarships this past spring! The good Lord has seen fit to bless Lutheran High graduates with more scholarship dollars — aggregate and per pupil — than any other high school in the county the last eight years. What a blessing! Lutheran High students work hard, have supporting parents, and are taught by an outstanding faculty and terrific liberal arts curriculum.

Check out Lutheran High students' most recent ACT scores compared to students ACT scores for the state of Wisconsin

	<u>State</u>	<u>Lutheran High</u>
English	21.7	24.3
Mathematics	22.0	24.3
Reading	22.3	24.7
Science	22.2	24.4
Composite	22.1	24.5

These ACT results and comparisons are remarkably complimentary to Lutheran High students and their academic achievements.

Parents sacrifice much to pay tuition to send their children to Lutheran High. We appreciate and recognize these financial sacrifices. The rewards, however, of sending your child or someone else's child to Lutheran High are so much greater and magnificent than the costs.

So next time you hear someone say, "I would love to send my child to Lutheran High, but we can't afford to pay the tuition," share with them the Good News that comes from a Lutheran High education. Then tell them: "But how can you afford not to send your child to Lutheran High!"

Senior Rebecca Quam

Rebecca is in her final year at Lutheran High. She can always be counted upon to provide a warm smile and great eye contact. Over the years, Rebecca has truly enjoyed the various activities she has been able to get involved with at Lutheran High. "It's easy to be involved at Lutheran High," she says. "You don't have to be a star athlete or star performer in the play to take part in something." This year, Rebecca is most looking forward to the dances and attending extracurricular activities such as volleyball, basketball, and football games.

Rebecca knows that Lutheran High is unique. "I like it that we have prayer and devotions in every single class," she insists, "because it helps me stay connected with my faith."

She likes being at Lutheran High because "it is a place where I can be myself, show my faith, and still feel comfortable" she says. One way that Bekah enjoys living out her faith is by volunteering her time at the local hospital with Project Linus and by taking part in Lutheran High's service group, GLOW. Bekah is looking forward to getting her driver's license this year.

Junior Sam Dekker has a lot going for him. He is a good student and well-liked by his classmates and teachers. God has also blessed him with great basketball skills and work ethic. Sam recently gave a verbal commitment to play basketball for Coach Bo Ryan at the University of Wisconsin. Before he wears the red and white, however, he plans on giving his all the next two years in Crusader green and gold. “I can’t wait for basketball,” he says. “I think we will have a very successful season, and I think all the guys are going to buy in to what we are going to do.” Most importantly of all, Sam remains close to his Lord and Savior, Jesus Christ.

Sam’s Top Five Favorite Things about Lutheran High:

1. Homecoming week traditions
2. basketball season
3. being with friends everyday
4. great teachers that help me whenever I need it
5. being involved in so many activities

Here is what else Sam thinks about Lutheran High:

“When I think of LHS, the first thing that pops in my head is all the activities I get to do. From basketball to powder puff volleyball and dodge ball, there are just so many things that kids can participate and get involved with.”

“Lutheran High has equipped me in many ways, and one of them is to be a Christian leader. I’ve been taught how to witness to others and do it without being embarrassed. Also, LHS has taught me right from wrong, knowing that someone is watching everything you do.”

Wisconsin basketball coach, Bo Ryan, can’t wait to welcome Sam to Madison in two years.
