LHS Service Day

More than 1000 hours of volunteer service went into the Lutheran High School Service Day on Friday, April 7, at establishments throughout Sheboygan County. Students and faculty members worked at many locations such as Memorial Hospital, Bookworm Gardens, the VFW Post, and Above and Beyond Children's Museum, as in the past. New venues this year included the John Michael Kohler Art Center and the Sheboygan Humane Society.

Mrs. Laura Adameak, coordinator, said, "We had a beautiful day and we were able to get a lot accomplished. We had many compliments on our great kids and how hard they worked. We were able to put in a full day!"

Activities included washing windows, cleaning and dusting, mopping and buffing floors, placing wood chips and landscaping, and helping some animals.

Service Day is a great opportunity for students to give back to the community. Sheboygan Lutheran is thankful to the many organizations willing to work hand-in-hand with them, as the day also serves as a growth experience for the students involved.

Erin Koenig and Lisa Beine help with the disposal of old American flags at the Sheboygan VFW post. Hannah TenPas, Jonas Gilles, and Emily Hilbelink shovel wood chips for the playground at Bethlehem School. And Eli Norlander and others clean up after the maple syrup season at Maywood Environmental Park.

Can't thank you enough!

We would like to extend a huge THANK YOU to all the LHS Auction donors, volunteers, and bidders involved in this year's Crusade for Bids! It was another year of great blessings! Auction sales reached \$151,000 including the Fund-A-Cause donations, designated to S.T.E.M. enhancements such as another cart of 25 chromebooks, biology equipment, and robotics kits.
