## SPRING BLESSINGS

Springtime is finally here! As the weather warms, the grass greens, flowers bloom, and trees bud, there is a renewed sense of life and energy in the air. As we eagerly embrace the new life emerging around us, I pray that we are always reminded of God's love for us and Jesus' victory over the grave. Easter is right around the corner, and we triumphantly get to celebrate and rejoice in Jesus' resurrection from the dead. We boldly proclaim that it is through Jesus that we receive forgiveness, redemption, and eternal life. Easter is a time to celebrate victory over death and how the light of Jesus pierces through the darkness of our world. Exciting times indeed!

At Sheboygan Lutheran, we are blessed to share this eternal message with our students every day...not just during Easter! We are committed to the truth of Scripture, and its positive life-changing impact on the world today and into eternity. We are so thankful for the students who attend our school, as it is our pleasure to serve them by living out our mission of *Preparing Christian Leaders – One Student at a Time*. If you are a current 8th grader and have not decided on what school to attend next year, or you are in high school and are considering a transfer, we would love to welcome you to our Crusader family!

Our Crusader Nation is experiencing a lot of fun and excitement on campus this spring:

- Our amazing drama department performed the musical *Newsies* and did a fantastic job. There were over sixty members of our cast and crew that helped make the production one to remember!

- We are so proud of our girls basketball team who finished the season with the best record in school history (22-6) and were Regional Champions!
- The boys basketball team had a historical season finishing the year as conference, regional, and sectional champions, while also advancing to the State championship game in Madison where they were the state runner-up!
- The band and choir students departed for a music tour over Spring Break that brought them down to Branson and St. Louis. They did a wonderful job praising God with their musical talents and abilities!
- The brilliant Forensics team had eight members advance to the State competition on April 12!

We are so proud of all our Crusaders! The students we serve are a wonderful group of young men and women, and we are excited to finish the 4th quarter on a strong note. On behalf of everyone at Sheboygan Lutheran, I pray that you enjoy the warmth and abundance of new life this Spring season and also take time to celebrate and embrace the truth of what Jesus' resurrection means for us. Have a blessed Easter! Go Crusaders!

Matthew Tschudy  
Executive Director  
Sheboygan Lutheran High School
